

Corporate Gifting Program

"When I send your gift packages, I'm an instant hero. Many of my clients have sent me so many referrals, and you're the reason my business has increased almost 100% in the past year".

- Steve Schwabel, Travel Agent

Make a connection with the most important people to your business. A well-timed, thoughtful gift can build a bridge to a new partnership, foster an appreciative company culture with your employees or reconnect with a lapsed customer to regain their business.

We're here to take the work of coordinating the gifting program off of your hands. Years of experience shipping large orders for big companies led us to develop a cutting-edge corporate gifting program.

Because a gift isn't just a gift - it's a chance to build a relationship. By automating the program, you can put your time and energy into what matters.

Our gifting experts will work one-on-one with you to develop a unique program that fits your budget and needs. On your part, the work is incredibly simple:

- 1. Pick out your product.** Some of our most popular gifts are on the next pages.
- 2. Tell us how often you'd like it sent.** Monthly, quarterly, or yearly - it's up to you.
- 3. Send us your list of recipients.** Our spreadsheet makes it effortless. Download it by clicking [here](#).

That's really it - no hidden time costs. A few things to note:

- You can get bulk pricing based on the total number of recipients on your list, regardless of when you're shipping your gifts.
- The cheapest days to have your gifts delivered are Thursday and Friday.
- We can't ship to PO Boxes or internationally at this time.
- Depending on product & timeline, we can offer an ultra-low flat rate shipping cost of \$14.50/delivery.
